

FLEET PROGRAM

At CJ's Car Wash, our **Fleet Program** is designed for businesses that value a spotless fleet and streamlined management. Enjoy peace of mind with one consolidated business account that tracks all washes across your fleet and bills you once per month.

How It Works – Wash More, Save More: Each time a fleet vehicle visits our wash our system records the wash on your account. Your monthly invoice is generated based on the total number of washes, with discounts applied according to the tiered discount structure. We only allow vehicles up to 84 inches tall and 96 inches wide.

Eligibility: Minimum of **Six (6) vehicles** qualify for fleet pricing

Individual Vehicle Billing: Each vehicle is charged per wash

Technology-Driven Convenience: Our advanced License Plate Recognition (LPR) system automatically records each wash so there is no need for pre-loaded or auto-recharge cards. Simply provide your vehicle's license plate and description before its first wash
